Response Rate 6/32 (18.75%)

- I appreciate him going above and beyond creating videos and responding to question a lot.
- Very strong instructor. I am not the strongest at Math, however I found it easy to grasp concepts in this course.
- This was my first Math class in 15 years. Dr. Chamberlain made it a very smooth class. Very fair grader, when I got questions wrong on the mid term he did a very good job of going through my work and letting me know exactly where I went wrong and how to come up with the right answer.
- Great teacher
- The instructor was extremely fair and open to conversation regarding the coursework. He helped in any way he could be it helpful advise, tips and tricks, or simply just explaining why. He fostered a healthy learning atmosphere and made it easy to contact him if I needed help day or night. His willingness to see me succeed and genuine care reflects highly upon himself, his peers, and ERAU. Great work!
- Great Professional and excellent Professor!
