Hi Darryl-

I am reaching out to you on behalf of the RUME nominating committee. We thought you would be a good candidate to join the executive committee. This year, we have two positions on the election slate, Programming Coordinator and Secretary. Both positions would involve regular meetings with the executive committee to plan the annual conference and shape the direction of the SIGMAA. More details on each of the positions can be found below:

Programming Coordinator

The Programming Coordinator will oversee the organization of activities of SIGMAA on RUME outside of the annual conference. These activities include soliciting proposals for sessions such as contributed paper sessions and minicourses at MAA MathFest, as well as other workshops, conferences, etc., from the SIGMAA membership. The programming coordinator will also submit the proposals for sessions that are to be part of the MAA scientific program at MAA MathFest and/or other SIGMAA-sponsored events via MAA's online proposal submission system by the posted deadlines. The programming coordinator will arrange sessions at MAA MathFest that are directed primarily at the SIGMAA membership, such as guest lectures and business meetings. This work should be coordinated with the MAA Associate Secretary.

Secretary

The Secretary will keep records of official meetings of SIGMAA on RUME and its Executive Committee, overseeing electronic communications, handling correspondence with the membership, and corresponding with and preparing written reports for submission to the MAA as required. Minutes of the last Business Meeting and a tentative agenda for the next meeting shall be made available electronically no less than one month prior to the next business meeting by the Secretary.

In order to run, you do need to be a current MAA SIGMAA on RUME member (which involves having a current MAA membership). While the position is largely volunteer time, one perk is you will get to skip the RUME conference registration fee while serving on the executive committee. Elections will be in October, so we will need to finalize our slate of candidates in September.

If you have interest, questions, or disinterest, let us know.

Sincerely,

Kate on behalf of the nominating committee (Kate Melhuish, Brady Tyburski, Mary Pilgrim)
