13 - General Comments regarding this delivery mode (e.g. Classroom, Online, EagleVision, etc.):
Response Rate 3/20 (15%)

- The delivery of an eagle vision class was pretty nice considering the campus is so close to my local area. I genuinely enjoyed this class, even if it was a more difficult core class.
- Very good
- The ONE big problem in this mode of this course was that the time given in the practice, the midterm and in the DAM FINAL EXAM was Not enough time, AND THAT for the practice, the midterm, a long with the final exam was not what we all had to learn from what was given on are module of each week and if that was the case of it all I would have pass this class by HOW.....!
