Dear Darryl,

It has been recommended that you be appointed as chair of the MAA's Committee on the Teaching of Undergraduate Mathematics (CTUM). This appointment begins on 7/1/2028 and ends on 6/30/2031. This note is a formal invitation to you to serve in this capacity.

At your earliest convenience, please let me know if you accept this invitation. Since MAA requires that members serving on MAA committees assign copyright of any work done through that committee to MAA, we need you to accept the copyright agreement along with the appointment. Please complete this form to accept your appointment. (The form should take no more than a couple minutes to complete.)

Thank you very much for considering this service to the MAA!
