Committee Chair's Evaluation

Review For: Darryl Chamberlain

Committee: Academic Technology Committee

Review Period: AY 2022-2023

I. Type of Committee

☒ Permanent ☐ Ad hoc

☐ Department ☐ College ☒ Campus ☐ University

Committee's Purpose:

This Worldwide Faculty Senate committee serves as a liaison between the administration and Faculty Senate by serving as a knowledge point regarding technology matters concerning academics. The committee is tasked with collecting information, providing feedback, providing assistance, making recommendations on academic technology, and reporting back to the Faculty Senate.

II. Participant's Contribution

Based upon such factors as adequate attendance, participation, and completion of committee assignments, this faculty member's service contribution to the committee listed above has been assessed as:

☐ Unsatisfactory ☒ Satisfactory

Comments:

Dr. Chamberlain completes all tasks assigned in a timely and professional manner. As the Vice-Speaker of the Worldwide Faculty Senate, overseeing the work of the committees, it has been a pleasure to have Darryl lead the committee. He takes charge of what needs to be done, without any intervention by the Speaker or Vice-Speaker. His willingness to serve says volumes about his character and desire to improve academic processes for faculty and students.

III. Extraordinary Contributions

Please supply any commentary that would illuminate this faculty member's extraordinary contribution to this committee.

Comments:

Dr. Chamberlain not only volunteered to be of service on this committee, he also stepped up to serve in the role of the Chair. In this regard, he represents the interests of the Worldwide Campus, overseeing the totality of the committee's work. As previously mentioned, he does this with much aplomb, efficiency, and professionalism.
