Darryl,

We'd like to participate in the advocacy day described below. We think the new AI policy would be great to feature at the afternoon showcase, and would also want to schedule meetings in congressional offices in the morning/early afternoon.

Would you be available to join us on Sept 24? We can discuss travel plans/support, but for now just wanted to see if you are available that day.

Looking forward to thinking about this with you!

Michael

To: CNSF <cnsf@googlegroups.com>

Thank you for your support of CNSF! We hope you are able to join us for the **2026 CNSF Advocacy Day and Science Showcase + Ice Cream Social on Thursday, Sept. 24!**

Please let us know if you're coming and if you're planning on organizing any meetings with Hill staff. **Register by Friday, Sept. 18** to ensure you're on the list to enter the SVC. For those who opt-in for sharing, we will share this list of CNSF member registrants with CNSF to help you coordinate visits. (Please note this new link for registration. If you registered before or are a confirmed Showcase participant, we will make sure you're on the list.)

> **Register by Sept. 18 using this registration form for CNSF Members:**

Logistical Information for Thursday, September 24, 2026

- 9:00–10:30 AM - Optional Continental Breakfast + Hill Day Prep @ Lewis-Burke Associates (250 Massachusetts Ave. NW, Suite 550, Washington, D.C. 20001)
The CNSF Advocacy Day will begin with an optional breakfast and a quick prep before plenty of time for Hill meetings. RSVP in the registration form.

- 10:30 - 3:00 PM - Congressional Meetings *(Across Capitol Hill)*
We encourage you to set-up staff/member meetings to talk about the impact of NSF-funding before the Science Showcase begins!

- 3:00 - 3:30 PM - Capitol Visitor Center (Senate Side) Security
We recommend you give yourself time to get through Capitol Visitor Center (Senate Side - SVC) security. View a map of the U.S. Capitol and visitor center entrance, and please review the list of prohibited items.

3:30 - 5:30 - CNSF Science Showcase + Ice Cream Social *(SVC 212-10 - please note this is a new room!)*
Join CNSF Members and Hill staff for a scoop (or two!) of ice cream, and meet researchers and see demos from NSF-funded projects from across the country.

Save the Date: Optional CNSF Advocacy Day Prep Call
- Please plan to join a prep call on **Friday, Sept. 18 at 1:00-2:00 PM EDT. Zoom invite forthcoming.**

Please let us know if you have any additional questions! We look forward to seeing you later this month!

Thank you,

Kelly Monterroso *on behalf of the Coalition for National Science Funding Co-Chairs: Juliane Baron, Miriam Quintal, Erin Heath and Catherine Johnson*
